

A new formula for a quick clean

Say hi to the VU200, our new cordless stick vacuum that lets you clean comfortably and quickly without interrupting your workflow. This tool does not mess around; it goes straight to business. Spot it, got it!

The VU200 is straight-up cleaning efficiency. It is easy to use, easy to grab, easy to empty, and easy to interact with. Colored touchpoints allow an intuitive understanding of what to interact with, and when the container is full, you simply open the lid and empty it. No bags are needed.

Equipped with a powerful motor and a durable construction, the VU200 is certified for professional use.

Top features and benefits include

- A mounting bracket that makes the VU200 a part of your cleaning cart, enabling a smooth workflow for the 25 to 40 daily quick cleans
- A prefilter for rough dust and an anti-allergy HEPA 14 filter that removes 99.99% of any airborne particles, ensuring a healthier and safer working environment
- An ergonomic handle to avoid injuries and strain
- The compact size and the slim accessories enable you to clean even hard-to-reach areas comfortably
- No plug or cord to trip over, the VU200 runs on a Lithium battery - easily swappable and quickly rechargeable for time-efficient cleaning
